Dear _____:

We were delighted by your support of our recent fundraiser to benefit the AAHA Helping Pets Fund.

This event was held to celebrate National Veterinary Technicians Week, which we are proud to support, as well as the human-animal bond and the role veterinary technicians play in the lives of pets in need. We appreciate your donation of time [and/or money, goods, etc.] in support of this worthy cause. It's because of you and others like you that it was such a success.

Thank you!

Appreciatively,
