Dear Mr. Smith:

Losing a pet is like losing a member of the family. I'm sure Jake held an important place in your life.

You may find it comforting to know that the doctors and staff of The Best Veterinary Hospital sent a contribution to the AAHA Helping Pets Fund in memory of Jake. The AAHA Helping Pets Fund is the primary focus of a foundation established in 1978 by the American Animal Hospital Association (AAHA) to improve the lives of pets. The Foundation seeks to help pets in need by providing grants for emergency and non-elective veterinary treatment. This gift will help us do that. We hope it will also help to ease your pain at the loss of your loved one.

Please accept our deepest sympathies for your loss.

Sincerely,

A handwritten signature in cursive script that reads "Tamara Fox".
